Brief Biography

Mr. Dinga Daiga Was born on Feb 19th, 1947 in Buea Cameroon to former West Cameroon Parliamentarian, Late Honorable Alfred W. Daiga and Late Mamon Lucy Daiga nee Djangmia. He was the eldest of 8 siblings. He started his early education in Buea, and like his own father, attended St. Joseph's College, Sasse He was a very proud and active SOBAN. He then went to EMEA and started a very early carrier in the gov't as a civil servant. He was appointed to work in SODECOTON (Maroua, Kaele & Yaounde). He later worked for SCDP (Douala & Yaounde) until his retirement.

He was married to late Grace Bosen Daiga nee Gwanyalla (Ex- Sakerette) and together they had 4 children prior to her untimely death in 1982. Life also blessed Ba Daiga with additional children to expand the Daiga Clan. To honor his late wife, he established the "Grace Bosen Daiga Foundation" in Saker Baptist College which awarded financial scholarships to students in need and prizes for academic excellence in English Language & English Literature. The family remains humbled & honored for the dormitory named after her: "Daiga House".

In his youth, he was endearingly called "Gold" or "Gold Finger" by his friends for his larger than life personality. The name carried on. He loved live, lived it well, cherished his family and valued his friends. He was very professional with his carrier. He was a loving, caring & fun dad, a husband, son, grandfather, great big brother and uncle to many. He also made and kept great life long friends who will all miss him dearly.

Ba Daiga(a title he earned after becoming his father's heir), also earned several nick names. He suffered a stroke several years ago and was in treatment. A later second stroke aggravated his situation. For the numerous family members and friends who stood by him, visited him in different hospitals and at home, called, gave their financial, moral and spiritual support up till his final resting day, we simply say "THANK YOU". Though he was sick, he never lost his spirit. You know he was grateful and the family remains forever indebted to you for your generous sustained acts of love.

Ba Daiga leaves behind children, grandchildren, siblings, nieces and nephews, aunts, uncles, cousins, in-laws , a plethora of friends and relatives mourn his passing.

Though he is physically gone, he will remain is our hearts forever.

Fare Thee Well Ba Daiga...aka "Igwé".
