Subject: [EX-SakerUSA] Heartfelt Gratitude - EXSSA-USA 2010 Health Fair Success

Dear Rachelle and Houston Sisters:

We are thankful to God Almighty for His Faithfulness, Mercy and Goodness. Indeed the Health Fair was a great success. Rachelle, I know that you and the team gave your all to this and it was a blessing. The outcome was a reflection of love, unity and sisterhood. When we work together, we do accomplish much.

I talked with a number of the guests who came and they all expressed gratitude and surprise. Your radio man was a number all by himself. I look forward to being with you all again in a few months.

Special thanks to:

- All the guest donors
- Dr. Rachelle Tita - for the donations including her clinic and pharmacy space/staff
- Our EXSSA Medical professionals who took care of the guests
- Houston sisters who worked the registration tables and pavement (giving out more flyers), - also for the delicious Saturday night dinner/fellowship of fun and laughter
- Christiana Ngong, Rosemary Kiffa, Prudence Muluh who took care of the out-of-town guests
- your hospitality was superb
- Members of the NEC who flew in from out-of-town: - Mary Tabot, Alberta Manga
- National Committee Chairs - Ethel Caspa, Project Committee Chair and Genevieve Nando, Foreign Relations Committee Chair

PS: Look out for the details by our National PRO

Houston Sisters, the Lord replenish your strength and continue to bless you and your household. I know 2010 Convention will enrich all our lives.

On behalf of all your EXSSA-USA sisters, we love you and are thankful for your dedication and generosity.
